

Nano-tex

Student Uniforms that Stand Up To Clinicals

The latest technology in fabric, Meridy's is proud to offer a new line of uniforms that can resist the stains that challenge healthcare today.

**Nano-Tex Fabric** provides breakthrough spill resistance. Each fiber has been fundamentally transformed through nanotechnology, and the result is a fabric that:

- Repels liquids
- Provides long lasting protection
- Retains fabric's natural softness
- Outperforms conventional fabric treatments
- Extends the life of the fabric
- Allows fabric to breathe naturally
